

Field Trip Chaperone Training Confirmation

In order to chaperone a Desert Heights Charter School field trip, it is mandatory to view our Field Trip Chaperone Training Power Point. Additionally, the DH School Board has determined that it is mandatory to have either a AZ Fingerprint Clearance card or AZ Background Check on file in the front office in order to chaperone a field trip or volunteer on campus.

I confirm that I have viewed the Field Trip Chaperone Power Point. I also agree that I will follow the guidelines that have been set forth in the training.

- I understand the “Buddy System” and that no students will be permitted to go to the restroom alone.
- I understand that I am not to purchase any food items for the students that are in my group.
- I understand that I will not purchase any items for students in the event a “gift shop” is at the field trip location.
- I also agree that the teacher will be responsible for applying any sunscreen to students.
- I will not provide any medications (even a cough drop) to any students in my care.
- I will reach out to the teacher in the event of a student’s misbehavior.
- I will exchange phone numbers with the teacher so that we are always able to be in contact with each other.
